Sir:

A Notice UNDER 37 CFR §1.251 was mailed by the USPTO on April 11, 2005. The Notice indicates that the USPTO requests an additional copy of the foreign priority papers filed January 21, 2004.

Therefore, enclosed herewith is a copy of:

1. A paper entitled "Submission of Certified Copy of Prior Foreign Application in Accordance with the Requirements of 37 CFR §1.55" (hereafter, the "Submission") which was filed on January 21, 2004;
2. A copy of the first page of the certified copy of the foreign priority document filed with the Submission; and
3. A copy of the USPTO mailroom filing receipt.

Only a copy of the first page of the certified copy of the foreign priority document is provided herewith, although a full certified copy of the foreign priority document was filed on January 21, 2004. The applicants assume that an additional certified copy is not required. However, please advise if the USPTO requires that another certified copy be filed. If so, the applicants will obtain another certified copy from the foreign patent office, and provide the copy to the USPTO.

Other than providing another certified copy of the foreign priority document, the copies of the papers provided herewith and listed above are complete and accurate copies of the applicants' records of such papers.

Respectfully submitted,
